

AGENCY OFFERINGS

Maximize Efficiency with MEMIC's QuickComp Portal

MEMIC's QuickComp Portal offers a **fast, seamless, and secure** way to manage your book of business with us. Gain **24/7 access** to essential policy, claims, and agency tools—all in one place!

What You Can Do in the Portal

- ▶ **Rate, Quote & Issue** policies for eligible small business classes—**no Loss Control consultation required.**
- ▶ **View Claims & Payments:** Instantly access claim summaries and payment details.
- ▶ **Retrieve Loss Runs:** Download **comprehensive** loss run reports for current and prior policy.
- ▶ **Access Key Documents:** Policy, agency, and marketing materials, plus **new document notifications**
- ▶ **Download Forms & Marketing Materials:** Stay up to date with the latest resources.

If you have any questions, reach out to QuickComp@memic.com.

Agency Mailing Preferences

Each agency has the flexibility to determine whether specific policyholder documents should be mailed directly to the agency or sent to the policyholder. Below are the available mailing options, along with a list of document types that will always be sent directly to the insured.

Policyholder Document Delivery Mailing Options

- ▶ **New Business:** Option to Send to Insured or Agent
- ▶ **Renewal:** Option to Send to Insured or Agent
- ▶ **Endorsement:** Option to Send to Insured or Agent

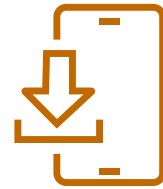

Documents Always Mailed to the Insured

- ▶ Cancel/Non-Renewal
- ▶ Reinstatement
- ▶ State Posting Notices

Agency Policy Documents

All Policy Documents are available as a PDF in the MEMIC Quick Comp Portal. The Agency Administrator may set up individual users to receive Notifications when new documents are available.

If you have any questions, reach out to QuickComp@memic.com or AgencyServices@memic.com.

Enhance Efficiency with IVANS Download Options

IVANS provides seamless data exchange between carriers and agencies, helping to streamline workflows, reduce manual entry, and improve policy servicing. Each agency can choose from various IVANS download offerings to best fit their operational needs.

Available IVANS Download Options

- ▶ **Policy Download:** Automates the delivery of policy information directly into your agency management
- ▶ **Claims Download:** Provides real-time updates on claims activity to keep your agency informed
- ▶ **Direct Bill Commission Download:** Simplifies commission tracking by automatically importing statements into your system
- ▶ **eDocs & Messages:** Securely transmits policy-related documents and messages, reducing paperwork and improving communication

If you have any questions, reach out to QuickComp@memic.com.

AGENCY OFFERINGS, continued

Streamline Your Submissions with Appulate

MEMIC is making it even easier for agencies to quote and submit business with our **Appulate integration**—a **free** tool for agents that enhances efficiency and eliminates redundant data entry.

Why Use Appulate?

- ▶ **Seamless Integration:** Appulate connects directly with our **Express Rater via QuickComp**, allowing you to quickly generate quotes without re-keying ACORD data.
- ▶ **Faster Submissions:** Reduce time spent on manual data entry and focus more on servicing your clients.
- ▶ **Market Activation:** If you're already using Appulate, MEMIC can be activated as a market for your agency.
- ▶ **Easy Setup for New Users:** If you're not using Appulate yet, we'll provide a quick setup link to get you started at no cost.

If you have any questions, reach out to **QuickComp@memic.com**.

ACH Commission Deposits

MEMIC offers agencies the convenience of ACH commission deposits, ensuring **faster, more secure, and hassle-free payments** directly to your bank account.

How to Enroll

- ▶ Agencies receive the **EFT form** during onboarding.
- ▶ If you're not yet set up, simply reach out to Billing or Agency Services for assistance.
 - **Commissions@memic.com**
