Find a Provider

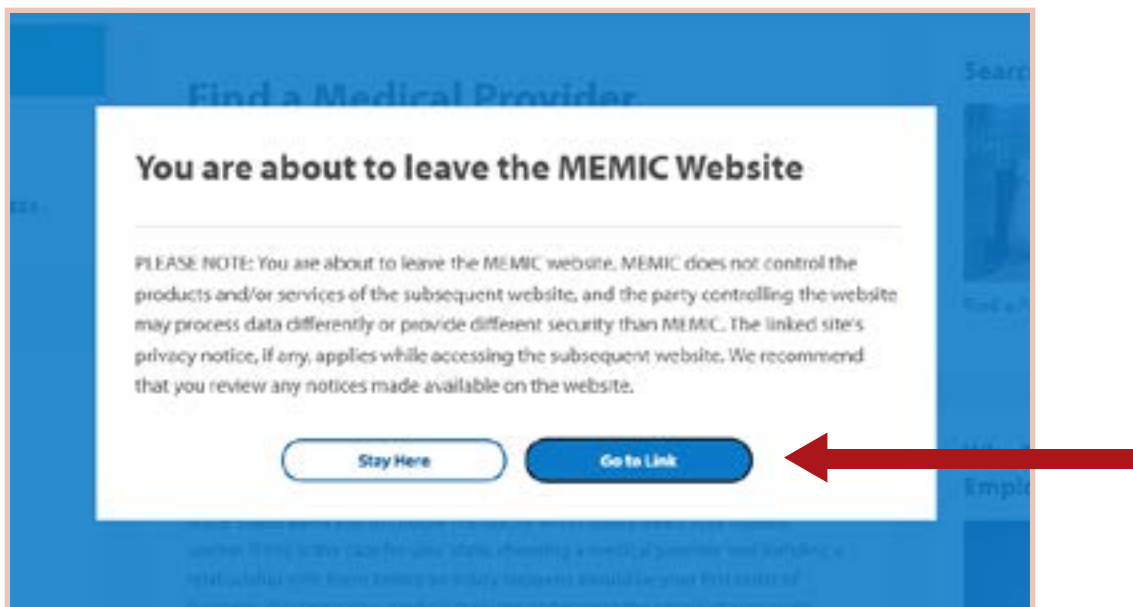

Use the Provider Look-up services on CorVel's website to locate preferred providers across the country.

To search for a CorVel network provider, go to [memic.com](https://www.memic.com) and click

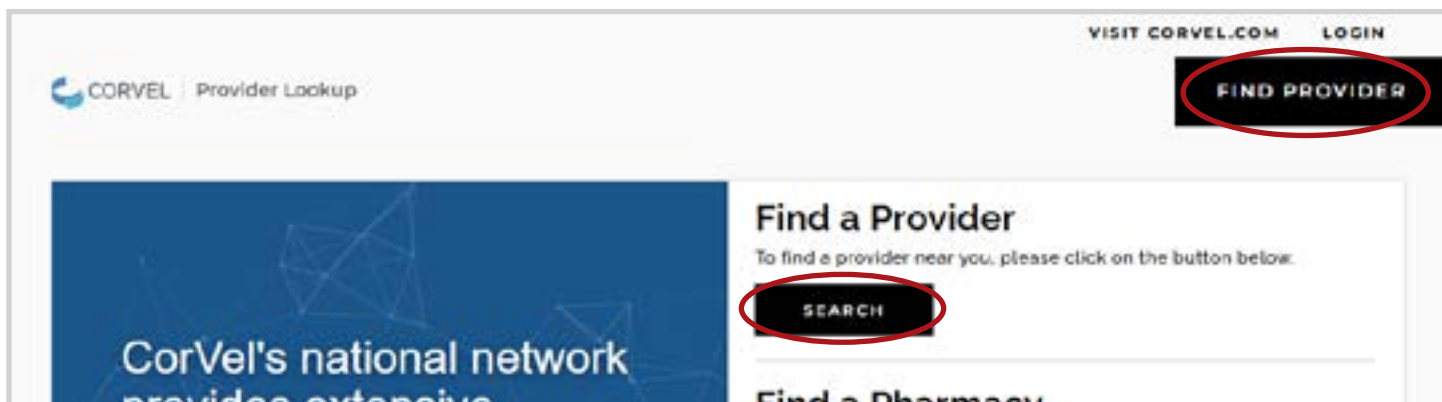

Find a Preferred Provider.

Click **Go To Link** when the pop up window appears.

This will open the CorVel web site in a new browser tab. Click the **Find Provider** button or the **Search** button under **Find a Provider**.

The **Find** screen appears.

Enter Location Search Criteria

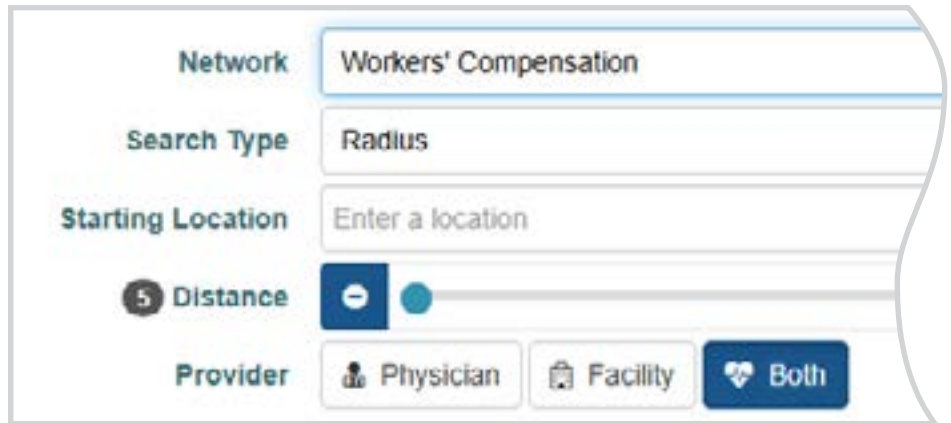

Select a Network

The Network field should be pre-populated with **Workers' Compensation**.

The screenshot displays the CORVEL Provider Lookup web application. At the top right, there are links for "VISIT CORVEL.COM" and "LOGOUT". A "FIND PROVIDER" button is located in the top right corner. The main header area includes the CORVEL logo and the text "Provider Lookup". Below this is a "Find" section with a map of the United States and surrounding regions. The map has "Map" and "Satellite" tabs. Below the map, there are several search criteria fields: "Network" (set to "Workers' Compensation"), "Search Type" (set to "Radius"), "Starting Location" (with a placeholder "Enter a location"), "Distance" (a slider bar), and "Provider" (with buttons for "Physician", "Facility", and "Both"). Below these fields is an "Optional Search Fields" section with a right arrow. At the bottom right of the search area are "Search" and "Reset" buttons. The footer contains links for "PRIVACY POLICY", "CODE OF ETHICS", "SITEMAP", "HIPAA", and "URAC", along with the copyright notice "© 2025 CORVEL. ALL RIGHTS RESERVED."

Specify Location

Select whether you want to locate providers within a specified distance from the center of a radius (see Maximum Distance, below), or within a city, county, state, or ZIP code. Enter your company address as the **Starting Location**. Set the **Distance** slider with an appropriate radius.

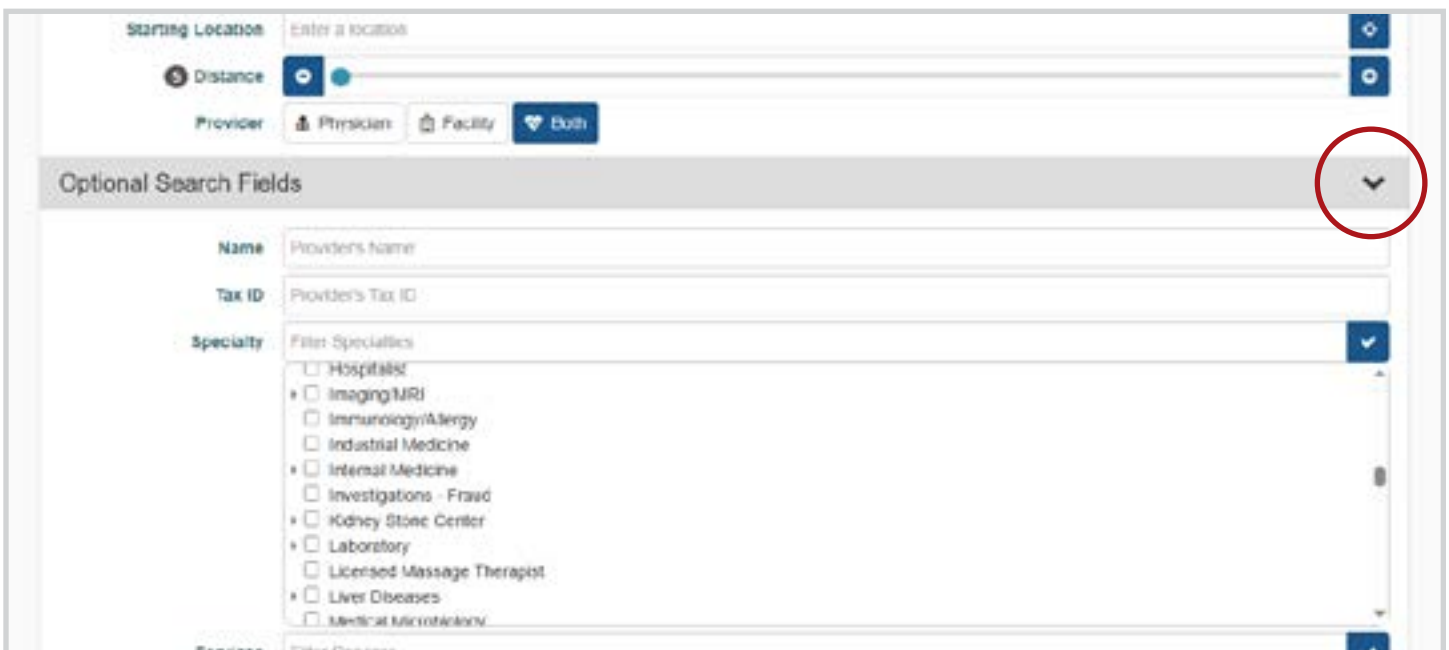

The screenshot shows a form with the following fields and options:

- Network:** A dropdown menu with "Workers' Compensation" selected.
- Search Type:** A dropdown menu with "Radius" selected.
- Starting Location:** A text input field with the placeholder "Enter a location".
- Distance:** A slider control with a blue circle indicating a selected distance.
- Provider:** Three buttons: "Physician" (with a person icon), "Facility" (with a building icon), and "Both" (with a heart icon). The "Both" button is highlighted in blue.

For the best result, keep the **Provider** selection button "Both" highlighted.

Optional Search Fields

Continuing on the Find screen, click the arrow on the right side of the gray **Optional Search Fields** bar to reveal the section.

The screenshot shows the "Optional Search Fields" section, which is expanded. A red circle highlights a downward arrow icon on the right side of the gray header bar. Below the header, there are three input fields:

- Name:** A text input field with the placeholder "Provider's Name".
- Tax ID:** A text input field with the placeholder "Provider's Tax ID".
- Specialty:** A dropdown menu with "Filter Specialties" selected. Below the dropdown, there is a list of specialties with checkboxes:

- ☐ Hospitals
- ☐ Imaging/MRI
- ☐ Immunology/Allergy
- ☐ Industrial Medicine
- ☐ Internal Medicine
- ☐ Investigations - Fraud
- ☐ Kidney Stone Center
- ☐ Laboratory
- ☐ Licensed Massage Therapist
- ☐ Liver Diseases
- ☐ Medical Microbiology

NAME (OPTIONAL)

Enter the provider's last name or first name. Or type a partial name, such as "Smi" to get all providers with those letters in the name; for example, "Smith" and "Smithers".

TAX ID (OPTIONAL)

Enter the provider's nine digit Tax ID number.

The screenshot shows the 'Optional Search Fields' section of the provider lookup interface. It includes three input fields: 'Name' (labeled 'Provider's Name'), 'Tax ID' (labeled 'Provider's Tax ID'), and 'Specialty' (labeled 'Filter Specialties'). The 'Specialty' field is expanded, showing a list of medical specialties with checkboxes next to them. A blue arrow points from the 'Specialty' field in this screenshot to the 'Specialty' field in the next screenshot.

SPECIALTY (RECOMMENDED)

Check **Urgent Care** and **Occupational Medicine** for best initial treatment results. When words are entered into the search field, results are narrowed; for example, entering "Urgent" brings up the results shown.

This screenshot shows the 'Optional Search Fields' section with the 'Specialty' field containing the text 'Urgent'. Below the input field, a dropdown menu is visible, showing two options: 'Emergency Medicine' and 'Urgent Care Center', each with a checkbox.

Ignore the **Services** field. When you are done entering your search options, click **Search**.

This screenshot shows the bottom portion of the provider lookup form. It includes a 'Services' section with several checkboxes (Barium Swallow, Bone Density, Bone Scans, Brain, and Maximum Medical Improvement and Impairment Rating). At the bottom right, there are two buttons: 'Search' and 'Reset'. The 'Search' button is circled in red.
