

A Scholarship to Help Families Affected by Workplace Injuries

Congratulations to our 2023 scholarship recipients
Chloe Ruest and Andrew Wuerthner

Andrew and Chloe have overcome major hardship in their lives with a combination of grit, persistence, and hard work. And while the circumstances that surround their situations are not ideal, the characteristics they've developed will serve them well. We are happy to reward their dedication to their families, their communities, and their own personal educational and career goals with help from our 22nd round of Horizon Scholarships.
